

Shadows

Lilly Wood & The Prick

Be strong
Look ahead
Step out
Of yourself
Be wise
And smart
Play them hard
Play them hard, hard, hard, hard...

You're right, it is true that I'm seeing shadows [x4]

This rudeness, it catches me its light
Says be tough, don't let anyone in
This madness, it knows me all too well
Just play them back, play them back

You're right, it is true that I'm seeing shadows [x17]
