

You Want My Money

Lilly Wood & The Prick

I wanna look like what they want me to look like
Drink what they say is right
Wanna live in a house just like that
Live by the rules till I die

I need a newer one of everything I own
A flawless life just like that
It's not enough, give me more, give me more
It's not enough, give me more, give me more, give me more

Hey hey hey
You want my money
Hey hey hey
You wanna strip me butt naked
Hey hey hey
You want my money
Hey hey hey
You wanna strip me butt naked

I wanna act like they all said I should
Have great success like my mother said I would
I never wanted to ensure
Never wanted to ensure

Hey hey hey
You want my money
Hey hey hey
You wanna strip me butt naked
Hey hey hey
You want my money
Hey hey hey
You wanna strip me butt naked
Hey hey hey
You want my money
Hey hey hey
You wanna strip me butt naked
Hey hey hey
You want my money
Hey hey hey
You wanna strip me butt naked

I wanna leave this place covered in gold
I wanna leave this place covered in gold
I wanna leave this place covered in gold
I wanna leave this place covered in gold

You want my money
Hey hey hey
You wanna strip me butt naked
Hey hey hey
You want my money
Hey hey hey
You wanna strip me butt naked
Hey hey hey
You want my money
You wanna strip me butt naked (butt naked)
You want my money
