

## Friend of Mine

Lily Allen

I don't want us to have a fight,  
But in the background I can hear you chatting shit,  
I hear it every night.  
And you think you're being really cool,  
You've been doing it since we were both at school,  
Now who looks like a fool.

[Chorus]

You're no friend of mine girl  
And I've known it for a while girl,  
You're just a waste of time girl  
Why don't you have another line girl.

Tell me what did you expect?  
Have you got no self respect?  
Reputation to protect?  
Soon you'll be a nervous wreck.  
[2x]

What happened to the good old days?  
I was kinda hoping this was all a stupid phase  
Who are you anyway?  
I know you've heard this all before  
I know some people who are calling you a whore  
Don't know you anymore

[Chorus]

You're no friend of mine girl  
And I've known it for a while girl,  
You're just a waste of time girl  
Why don't you have another line girl.

Tell me what did you expect?  
Have you got no self respect?  
Reputation to protect?  
Soon you'll be a nervous wreck.  
[4x]
