Lily Allen

**Gmi**

When you first left me

**F**

I was wanting more

**Gmi**

but you were f\*\*\*ing that girl next door

**F**

what'd you do that for

when you first left me

**F**

I didnt know what to say

**Gmi**

I never been on my own that way

**F**

just sat by myself all day

I was so lost back then

but with a little help from my friends

I found the light in the tunnel at the end

Now you're calling me up on the phone

so you can have a little whine and a moan

and it's only because youre feeling alone

**Gmi**

**F**

At first when I see you cry

**Gmi**

yeah it makes me smile

**F**

yeah it makes me smile

**Gmi**

**F**

at worst I feel bad for a while

**Gmi**

but then I just smile

**F**

I go ahead and smile
