

## 9 Teen 90 Nine

Limp Bizkit

Fame you're claimin' is the top of the world.  
This stage I'm claimin' is the top of the world.  
Love I'm feelin when you people connect  
and if you're out in the crowd you're gettin' more than respect.  
If you're wondering  
I got plenty of flows.  
I'm makin' plenty of friends  
and many are foes,  
but as the audience grows  
security knows  
stoppin' me now is kinda serious.  
No use in dreadin'  
what they call Armageddon.  
I think we made it through the slump.  
But who really cares where we're headin'  
cuz now you motherfuckers got a reason to jump!!

so lets make somethin' out of it.  
This way we can all relate.  
Worldwide we collide.  
This is how we communicate.  
So lets make somethin' out of it.  
Whoever thought we would see the day.  
I cant believe we did it.  
So lets drift away.  
Hate,  
a feelin' I don't really get.  
And hate can get you in some serious shit.  
Time is somethin'  
that may change me,  
but I cant time so fuck it.  
ive been stumblin'  
through these thoughts  
and I thought the fact that I could be delirious.  
but as the audience grows  
security knows  
stoppin me now is kinda serious  
No use in dreadin'  
what they call Armageddon.  
I think we made it through the slump.  
But who really cares where we're headin'  
cuz now you motherfuckers got a reason to jump!!

so lets make somethin' out of it.  
This way we can all relate.  
Worldwide we collide.  
This is how we communicate.  
So lets make somethin' out of it.  
Whoever thought we would see the day.  
I cant believe we did it.  
So lets drift away.  
We see good things change  
and good things go away.  
We see good things waste  
and we taste the pain.  
What we need is  
a place to escape from today.

Right?  
what we need is  
a place to escape from today!!
