

Eat You Alive

Limp Bizkit

Hey you,
Mrs. don't know what the fuck your name is
I'm drawn to you, something's magnetic here
If I could approach you or even get close to the scent
That you left behind, I'd be fine
No doubt that you bring out the animal inside

I'd eat you alive [x4]

Hey you,
Mrs. too good to look my way and that's cool
You want nothing at all to do with me, but I want you
Ain't nothing wrong with wanting you cause I'm a man
And I can think what the hell I want, you got that straight
No doubt that I'd love to sniff on them panties now

I'd eat you alive [x4]

I'm sorry, so sorry (damn, you're so hot)
Your beauty is so vain (damn, you're so hot)
It drives me, yes it drives me (damn, you're so hot)
Absolutely insane

I just want to look at you
I just want to look at you, look at you all day
I just want to look at you
I just want to look at you all day
There ain't nothing wrong, no
There ain't nothing wrong with that

Once you seep in (once you seep in) under my skin (under my skin)
There's nothing, there's nothing in this world that could wash you away
Once you seep in (once you seep in) under my skin (under my skin)
There's nothing, there's nothing in this world that could wash you away...

I'm sorry, so sorry (damn, you're so hot)
Your beauty is so vain (damn, you're so hot)
It drives me, yes it drives me (damn, you're so hot)
Absolutely insane

I'd eat you alive [x5]
