

# Shoot For The Moon

Linda Davis

You've got nothing to lose  
When you've lost it all  
And that's a good time to choose  
If you're gonna stand or fall

I've got a feeling  
Things'll get better soon  
Dreams are for dreaming  
Dreams are for coming true

Shoot for the moon  
Aim high  
There's a billion stars  
In an endless sky  
And one is yours  
And one is mine  
Shoot for the moon  
Aim high

You've got everything you need  
If you've got a friend  
Somebody that'll whoop your mule  
Push you to try again

Pull back your arrow  
Stand with your chin up high  
Feel firmly planted  
Sight with a single eye and

Shoot for the moon  
Aim high  
There's a billion stars  
In an endless sky  
And one is yours  
And one is mine  
Shoot for the moon  
Aim high
