

If He Never Said Hello

Linda Eder

If he never said hello
If his eyes had never smiled at me
What did he find inside my heart
That made him take a chance
Did he know what I was feeling
Could it be that he was lonely
Something between us had begun
Something so beautiful
Something that's started with hello
Now memories are filling me with pictures of the past
Foolish me hoping love would last
And even now I still can feel
The way he looked at me
The way he looked at me
If he never said I love you
If he never said forever
I would have never known love
If he never said hello
I'll never know goodbye
Goodbye
Goodbye
Goodbye
