

How Do I Make You

Linda Ronstadt

You're a doll
Your eyes see all
And how do I make you
How do I make you
How do I make you
Wanna see me

You're so young
But your feelings are deep
And how do I make you
How do I make you
How do I make you
Feel for me

You put your head on my pillow
And you're fast asleep
And how do I make you
How do I make you
How do I make you
Dream about me

Ooh, ooh
Ooh, ooh, baby
The world's a wall of ice
You're gonna need someone
To treat you warm and keep you nice

I like the way you dance
The way you spin
And how do I make you
How do I make you
How do I make you
Spin for me

You put your head on my pillow
And you're fast asleep
And how do I make you
How do I make you
How do I make you
Dream about me
Dream about me
Dream about me
Whooooa, dream about me
Dream about me
Whooooa, dream about me
Dream about me
Whooooa, dream about me
Dream about me
