

When Something Is Wrong with My Baby

Linda Ronstadt

When something is wrong with my baby
Something is wrong is me
And if I know that she's worried
I know I'd feel the same misery

We've been through so much together
We stand as one
That's what makes it better
When something is wrong with my baby
Something is wrong with me

Just what she means to me now
Oh you just you just wouldn't understand
People can say that she's no good
But she's my woman and I know I'm her man

And if he's got a problem
Woo-oah I know I got to help him solve 'em
When something is wrong with my baby
Something is wrong with me
When something is wrong with my baby
Something is wrong with my baby
When something is wrong with my baby
Something is wrong with me
