

# Gravity

Lindsay Ell

Gravity is working against me  
And gravity wants to bring me down  
Oh, I'll never know what makes this man  
With all the love that his heart can stand  
Dream of ways to throw it all away

Oh, gravity is working against me  
Oh, gravity wants to bring me down  
Oh, twice as much ain't twice as good  
And can't sustain like one half could  
It's wanting more that's gonna send me to my knees

Oh, twice as much ain't twice as good  
And can't sustain like one half could  
It's wanting more that's gonna send me to my knees

Oh, gravity, stay the hell away from me  
Oh, gravity has taken better men than me  
Now, how can that be?

Just keep me where the light is  
Just keep me where the light is  
Just keep me where the light is  
Come on, keep me where the light is  
Come on, keep me where, keep me where the light is  
Come on, keep me where  
Come on, keep me where the light is, the light is  
Keep me where, keep me where, keep me where the light is
