

# Stop This Train

Lindsay Ell

No I'm not color blind  
I know the world is black and white  
Try to keep an open mind  
But I just can't sleep on this tonight

Stop this train  
I wanna get off and go home again  
I can't take the speed, it's moving in  
I know I can't  
But honestly, won't someone stop this train?

Don't know how else to say it  
Don't want to see my parents go  
One generation's length away  
From fighting life out on my own

Stop this train  
I wanna get off and go home again  
I can't take the speed, it's moving in  
I know I can't  
But honestly, won't someone stop this train?

So scared of getting older  
I'm only good at being young  
So I play the numbers game to  
Find a way to say that life has just begun  
Had a talk with my old man  
Said, "Help me understand"  
He said, "Turn 68  
You'll renegotiate"

Don't stop this train  
Don't for a minute change the place you're in  
And don't think I could ever understand  
I tried my hand  
John, honestly we'll never stop this train

Once in a while, when it's good  
It'll feel like it should  
When you're all still around  
And you're still safe and sound  
And you don't miss a thing  
'Til you cry when you're driving away in the dark

Singing stop this train  
I wanna get off and go home again  
I can't take the speed it's moving in  
I know, I can't  
'Cause now I see I'll never stop this train
