

# Waiting on the World to Change

Lindsay Ell

One, two, one, two, three

Me and all my friends  
We're all misunderstood  
They say we stand for nothing and  
There's no way we ever could

Now we see everything that's going wrong  
With the world and those who lead it  
We just feel like we don't have the means  
To rise above and beat it

So we keep waiting (waiting)  
Waiting on the world to change  
We keep on waiting (waiting)  
Waiting on the world to change

It's hard to beat the system  
When we're standing at a distance  
So we keep on waiting  
Waiting on the world to change

Now if we had the power  
To bring our neighbors home from war  
They would have never missed a Christmas  
No more ribbons on their door  
But when you trust your television  
What you get is what you've got  
Cause when they own the information, oh  
They can bend it all they want

That's why we're waiting (waiting)  
Waiting on the world to change  
We keep on waiting (waiting)  
Waiting on the world to change

It's not that we don't care  
We just know that the fight ain't fair  
So we keep on waiting (waiting)  
Waiting on the world to change

And we're still waiting (waiting)  
Waiting on the world to change  
We keep on waiting (waiting)  
Waiting on the world to change

One day our generation  
Is gonna rule the population  
So we keep on waiting (waiting)  
Waiting on the world to change  
We keep on waiting (waiting)  
Waiting on the world to change  
We keep on waiting (waiting)  
Waiting on the world to change  
Waiting on the world to change  
Waiting on the world to change  
Waiting on the world to change

Yeaah...
