

Time to Fall in Love

Lindsey Stirling

It's here, that magic time of year
Gotta carol in my ear
And the glow, its reflecting on the snow
I feel warmer in the cold

If the summer is a 5 or a 6
Then the white winter weather makes the top of my list, yeah

Christmas is the time to fall in love
Everybody's looking for someone
Sugar palms sweet hot mistletoe scene
All the girls are shopping and they're looking for me
'Cause Christmas is the time to fall in love
The time to fall in love

In the town
Busy people all around
Moving to those sleigh bell sounds
We can drive in the one-horsepower ride
And I hope that will be alright

If the summer is a 5 or a 6
Then the white winter weather makes the top of my list, yeah

Christmas is the time to fall in love
Everybody's looking for someone
Sugar palms sweet hot mistletoe scene
All the girls are shopping and they're looking for me
'Cause Christmas is the time to fall in love
The time to fall in love

Christmas is the time to fall in love
Everybody's looking for someone
Sugar palms sweet hot mistletoe scene
All the girls are shopping and they're looking for me
'Cause Christmas is the time to fall in love
The time to fall in love
