

## except for the ghosts

Lisa Germano

Wind chimes  
Waves climb  
Over and done  
Heavy passing  
Weightless and one  
Alone in the sea  
Alone in the sea  
The deeper you go  
The letting it be  
Except for the ghosts  
Except for the memories  
Accepting the waves  
And waving goodbye  
Light soul touched and go  
Waving  
Waving  
Waving good things
