Geek The Girl

Lisa Germano

Perfect and dull decorate, perfect and dull
Keepin' the cool from coming out, yeah
Oh oh, I'm not too cool, oh oh, I'm not too cool
Angry and dumb dominate,
Angry and dumb

Keepin' the cool from comin out, yeah
Oh oh, I'm not too cool,
Oh oh, I'm not too cool
Oh no, I'm not too cool,
Oh oh, I'm not too cool
I always liked rock and roll,
It kinda moves me

I'd like it more if I dance, yeah, sure
Oh oh, I'm not too cool,
Oh no, I'm not too cool
Wrong move and you're not too cool,
Wrong move and you're not too cool
Run, run, 'cause you're not too cool,
Keep it hidden 'cause you're not too cool

Perfect and dull but not too cool,
Run run you're not too cool
Angry and dumb but not too cool,
Angry and runin' but not cool
