Into The Night

Lisa Germano

In the wrong time In the wrong place In the wrong mind Can't find the time Can't find the thoughts Can't find the signs Everything seems just as it seems Just as it seems Losing the feel Lost all the feel Of real things Close your eyes Not a pretty sight And i'll tell you what It's not gonna be alright This time What not to see What not to hear What not to be When you begin Seeing your sins Seeing your sins Everything missing Lost all the feel Losing the need for real things Close your eyes It's not a pretty sight And i'll tell you what It's not gonna be alright This time
