

Tom, Dick & Harry

Lisa Germano

She won't believe in love
Oh, poor baby
'Cause he had some power
Some power over her

She can't begin to feel
Oh, poor baby
'Cause she has no feeling
No feeling under here

'Cause a roadie broke her heart
Oh, guess a roadie broke her heart
Guess a roadie
Guess a roadie broke her heart

Scummy guys, boring girls
After show passes
And she wore no covers
No covers over her

Chuck it up, feel this heart
Dream on baby
'Cause you can't trust nothing
Love no-one anymore

'Cause a roadie broke your heart
Guess a roadie broke your heart
Guess a roadie...
Guess a roadie broke your heart

Goodbye harry
I am falling
Tom, dick, harry
You remind me

Goodbye harry
I am falling
Tom, dick, harry
You remind me

She won't believe in love
Oh, poor baby
'Cause she has no wonder
No wonder anymore

Suffer-roadies broke her heart
Guess a roadie broke your heart
'Cause a roadie broke your heart
Lots of roadies

Guess a roadie broke your heart
A roadie broke your heart
Guess a roadie broke your heart
Guess a roadie
Guess a roadie broke your heart
A roadie broke your heart
