

# Block Party

Lisa "Left Eye" Lopes

[Intro (Lil' Mama)]

When you hear Left Eye  
When you hear Lil' Mama (Shake it down now)  
You know it's time to get busy  
So it ain't really much too talk about  
How was it working with her?  
It was an honor

[Verse 1]

Remember way back in the day (hey hey)  
When the kids from around the way  
Used to come out and play  
And the double dutch bus  
Had you bumpin' on down the street  
Tryin' to move your feet  
While you shake your little booty  
To the groove of the beat (uh)  
To the beat  
To the beat (beat)  
You hit the corner and you stopped  
Hey y'all there's a party on the other block  
We hit the jackpot  
Jackpot (what what)  
And it's only 12 o'clock  
And the sun is hot  
Free soda pop  
We about to rock rock rock rock...

[Chorus]

Everybody come on  
It's about time, that we had a good time  
So go put on your clothes and meet me right back downstairs  
We BBQin' and playing music  
Double dutchin, and hula hoopin  
Call everybody you know  
And tell them we bout to have a  
Block party, a block party (Hey)  
Block party, a block party (Come on everybody)  
Block party, a block party (Hey)  
Block party, a block party (Come on everybody)

We were dancing all night long  
We were dancing all night long  
Music pumping and we're jumping  
And they're playin' our favorite songs  
We were dancing all night long  
We were dancing all night long  
Music pumping and we're jumping  
And they're playin' our favorite songs

So I can teach you  
Teach you

[Verse 2 (Lil Mama)]

The electric  
Even the people across seas got respect this  
Hear ya check this, what been around

Pop up, like I'm aroun' now  
I know you like my style  
Burgers on the grill flip up and down  
Girls rock jeans that's fitting now  
The boys on the block  
That like your smile  
He ain't got to act like that  
He be likin' my style more than he like my bag  
He. Ain't. Got. To. Act. Like. That.  
He. Like. My. Style. More. Than. He. Like. My. Bag.  
In fact  
My party  
Hoppin  
Best believe we have to whole block  
Rockin

[Chorus]  
Everybody come on  
It's about time, that we had a good time  
So go put on your clothes and meet me right back downstairs  
We BBQin' and playing music  
Double dutchin', and hula hoopin  
Call everybody you know  
And tell them we bout to have a  
Block party, a block party (Hey)  
Block party, a block party (Come on everybody)  
Block party, a block party (Hey)  
Block party, a block party (Come on everybody)

I'm a big city girl  
From all over the world  
And I do what I wanna do  
Right foot left shoe  
Then you take it on down  
Then you shake it around  
Bring it up  
Clap your hands  
Then you turn it all around

[Verse 3 (Lil Mama)]  
Now you got to this  
Now you got to that  
When it comes to track  
Y'all ain't got to ask  
I'm shalack  
Like Vanagon wax  
And I spitdadada  
That flow on wax  
Like that, in the middle of the block party  
Watch the way I just rock baby  
Roll  
Control  
I think it's betta when you rock baby  
If not, you might look like a player  
If ain't a player, babygirl you're a hater  
Haters get no respect  
And I disrespect any hate on me  
I ain't check  
Talk about cash  
Anything else, I don't talk about that  
I don't rock purse  
No, I don't rock bag  
No I am constantly infinity cash flow

So let's go
