

Raven

Lisa Marie Presley

Capo 2

Emi **D**
And as the raven flies she feels unwelcome
Emi **D**
She's fallen out of her tree and caught on a limb of silver lining
Emi **D**
Her wings uncertain oh but she's still flying
Emi **D**
Yeah little Raven I see you there

C **G**
Hold your head up now
Emi **D**
I won't try and pull your feathers out I promise
C **G**
Go on dry your eyes
Emi **C**
You know that I've forgiven you and I'm sorry
C **G**
And everything till now
G/C
It wasn't that bad really

Beautiful lady

Why don't you fly with me
We'll have a chat and a cup of tea
And a long lost need to see who's really there

And you'll finally be okay with me
And I'll hear your stories
That fill your sad eyes
When you had raven hair

Hold your high up high
I know that I've been ruthless
I've been ruthless

Go on dry your eyes
You know that I've forgiven you and I'm sorry
And everything till now
It wasn't that bad really
Beautiful lady

Go on dry your eyes
Hey you finally see me - hi
And I see you
And everything till now
It wasn't that bad really
Beautiful lady

Go on dry your eyes
You know that I've forgiven you and I'm sorry
And everything till now
It wasn't that bad really
Beautiful lady
