Man's got his woman To take his seed He got the power She got the need.

She spends her life through Pleasing up a man She feeds his dinner on Anything she can.

She cries alone at night too often
He smokes and drinks and don't come home at all.

Only Women Bleed Only Women Bleed Only Women Bleed.

Man makes your hair grey He's your life's mistake All you're really looking for Is an even break.

He lies right at you
Ya know ya hate this game
Slaps you once in a while
And you live and love in pain.

She cries alone at night too often
He smokes and drinks and don't come home at all.
