

Looking for a Reason

Little Big Town

Lookin' for to make some sense out of nothin'
Lookin' for the hunger to hang on
Lookin' for to know if you're really worth it
Lookin' for a reason not to be gone

Your signs are fadin', Baby
I can't read 'em anymore
Can't you see where I'm standin', Baby
I got one foot out the door
You better show me somethin' fast
'Cause my patience for you, it ain't gonna last

Lookin' for to make some sense out of nothin'
Lookin' for the hunger to hang on
Lookin' for to know if you're really worth it
Lookin' for a reason not to be gone

If there ain't nothin' there
Well, that's my time you're wastin'
If you say you're givin' all you've got
Well, that's my chain you're yankin'
Love is on a slippery slope
Barely hangin' on at the end of my rope

Lookin' for to make some sense out of nothin'
Lookin' for the hunger to hang on
Lookin' for to know if you're really worth it
Lookin' for a reason not to be gone

So tell me what you're gonna do to keep me around
And Baby, whatever it is, you better do it now, now, now

Lookin' for to make some sense out of nothin'
Lookin' for the hunger to hang on
Lookin' for to know if you're really worth it
Lookin' for a reason not to be gone
