

## Rich Man

## Little Big Town

Yeah, I'm a rich man  
Without a lick of money  
A better-than-blessed man  
Had all I ever wanted  
I got everything I need  
Got love and a family  
I'm a hardworkin' man  
You plant a seed and sow it  
A Sunday-go-to-church man  
I need help and know it  
God's been good to me  
Better than He had to be  
Yeah, in my soul, one thing I know  
I ain't lookin' for a pot of gold  
That ain't what this life means to me  
I keep my head up high, feet on the ground  
Love the ones I'm living 'round  
Life is just that simple to me  
Yeah, I'm a rich man  
I'm gonna tell the truth, man  
Just like my mama preached it

I'm a red-white-and-blue man  
My daddy fought to free it  
And man, I still believe (I still believe)  
In the "Land of the Free"  
Yeah, in my soul, one thing I know  
I ain't lookin' for a pot of gold  
That ain't what this life means to me  
I keep my head up high, feet on the ground  
Love the ones I'm livin' 'round  
Life is just that simple to me  
Yeah, I'm a rich man  
(Yeah, I'm a rich man)  
Yeah, I'm a rich man  
Without a lick of money  
A better-than-blessed man  
Had all I ever wanted  
I got everything I need  
I got everything I need  
Got love and a family
