INTRO:

**E A E**

I've been down but not like this before.

**E A E**

Can't be round this kind of show no more.

**E E/D F#7 Fma7**

All, all that you dream, it comes through shining silver lining and

**E E/D F#7 Fma7**

clouds, clouds change the scene. Rain starts washing all love's caution

**A7 C7 E**

Into your life and you start to realize just what is true

**E/D D7 C7 B7 E A7**

What else can you do? For you just follow the rules and keep your

**C7 F#7 B7 E**

eyes on the road that's ahead of you.

**E A E**

I've been down but not like this before.

**E A E**

Can't be round this kind of show no more.

**E E/D F#7 Fma7**

All of the good, good times were ours in the land of milk and honey and

**E E/D F#7 Fma7**

time, time adds its scars, rainy days they turn to sunny

**A7 C7 F#7 B E**

ones, you're living the life, living the life, loving every one
