

# Change Your Life

Little Mix

She captures her reflection then she throws the mirror to the floor  
Her image is distorted screaming, "Is it worth it anymore?"

No-oh-oh

Are you scared of the things that they might put you through?

Does it make you wanna hide the inner you?

You're not the only one so let them criticize, oh oh oh

You're untouchable when you realize, oh oh oh

Change, change your life, take it all

We're gonna stick together, know we'll get through it all

Change, change your life, take it all (yeah, take it all)

You're gonna use it to become what you've always known

(Become what you've always known)

His body starts to flicker like nobody wants to know his name

Just another soul with feelings but nobody's there to feel the pain

No, no, no

They can rip you, bring you down, down to their size

But they will never get to the heart you hold inside

Mm, mm, mm

You're not the only one so let them criticize

You're untouchable when you realize

Ooh-oh-oh

Change, change your life, take it all (take it all)

We're gonna stick together, know we'll get through it all (I know we'll get through it all)

Change, change your life, take it all (yeah, take it all)

You're gonna use it to become what you've always known (become what you've always known)

Change, change your life, take it all

(Change your life and take it all)

Change, change your life, take it all

(Change your life and take it all)

You got a right to show the world

Something never seen

We wanna hear you scream it out

You're not alone

Oh, whoa

Oh, yeah

Change, change your life, take it all (take it all)

We're gonna stick together, know we'll get through it all (we're invincible)

Change, change your life, take it all (change your life and take it all)

You're gonna use it to become what you've always known (become what you've always known)

ou've always known)
