

## Don't Deceive Me (Please Don't Go)

Little Richard

People are talking all over town  
They say you're tired of me  
Going to put me down

Please don't leave me  
Don't deceive me  
Please don't go

You know I love you  
You know it's true  
That's why you treat me  
The way you do

You said you loved me  
You said you loved me  
Please don't go

When I first met you  
No, I didn't love you  
I just tried to treat you nice

Since I've been with you  
Yes, I've learned to love you  
And I want you all the  
Rest of my life

I used to call you my lover boy  
You were always my pride and joy

Please don't leave me  
You know you'll grieve me  
Please don't go
