

# I Don't Know What You Got

Little Richard

You never treat me kind you're poor honey all the time  
You do me no good I'll leave you if only could  
Baby I don't know what you got  
Honey I don't know what you got but it's got me I believe it's  
got me

You not very very much to look at but you know just where it's  
at  
You don't have one thing at night still I can't leave you behind  
Baby I don't know what you got  
Honey I don't know what you got but it's got me I'm telling you  
it's got me

Baby baby baby I feel so all alone sometimes I just crawl outside  
Sometimes I even moan because baby  
I don't know what it is but I find myself living at your will  
Ah baby please sometimes my best friend comes to me on my job  
And he looks at me and he said Richard man you don't know what's  
going on  
And I look at my friend because I'm innocent and my friend look  
at me  
And says Richard you don't know what's going on I got something  
to tell ya  
And look what my friend tells me this what he say to me

I know you cheat cheat cheat on me but baby let me be  
Honey I don't know what you got baby I don't know what you got  
But it's got me I cry sometimes because I know it's got me  
Listen I gave you all the money I had in the bank  
Not one time not one time did you say thanks  
But baby I don't know what you got honey I say  
I don't know what you got sometimes it makes me cry  
I don't know what you got honey I say  
I feel sometimes like I'm gonna die I don't know what you got o  
h ooh baby  
Sometimes it makes me wanna moan  
Sometimes it makes me wanna leave my happy home ooh ooh  
Sometimes I just moan wooh wooh  
Sometimes it make me wanna cry wooh yeah  
I said baby I said baby wooh I need you I know it's not me it's
