

# I Think I Left My Heart With You

Little River Band

I hope it's not too late to call  
I couldn't wait a moment more  
I don't know what else to do  
I need to ask a favor

Check behind each of your doors  
Search throughout your rooms and halls  
Secret corners, look there too  
I think I left my heart with you

Don't forget to remember  
Cos you're always on my mind  
I don't care if I've lost my heart this time

If you find it keep it safe  
Wrapped within your warm embrace  
I could be wrong, that's nothing new  
But I think I left my heart with you

Don't forget to remember  
Cos you're always on my mind  
I don't care if I've lost my heart this time  
I'm not beggin' but

Maybe you could be so kind  
To make a home for this heart of mine  
Maybe I could live there too  
I think I left my heart with you

Think I left my heart  
I think I left my heart with you
