

# What Might Have Been

Little Texas

Sure I think about you now and then  
But it's been a long, long time  
I've got a good life now, I moved on  
So when you cross my mind

I try not to think about what might have been  
'Cause that was then and we have taken different roads  
We can't go back again there's no use giving in  
And there's no way to know what might have been

We can sit and talk about this all night long  
And wonder why we didn't last  
Yes, they might be the best days we will ever know  
But we'll have to leave them in the past

So try not to think about what might have been  
'Cause that was then and we have taken different roads  
We can't go back again there's no use giving in  
And there's no way to know what might have been

That same old look in your eyes  
It's a beautiful night, I'm so tempted to stay  
But too much time has gone by  
We should just say goodbye and turn and walk away

And try not to think about what might have been  
'Cause that was then and we have taken different roads  
We can't go back again there's no use giving in  
And there's no way to know what might have been  
No, we'll never know what might have been
