

My Cock It Bleeds

Lividity

Sadomastic, necrophobic, raping of the dead, my cock it bleeds (my cock it bleeds) from your rank ass cunt! Puncture wounds are seeping, ozzing, cock dripping with rectal cum, on your face I wipe my cock, smell the stench, I vomit! With my tongue I lick it up, twisted corpse drenched in cum, entrails used as trophies, mark of man, evil now displayed! Rectal seeps, ass sliced open, stepped over the edge of insanity, whore (whore), I smite you with my cock! Comforting, anal sores, on my dick puss it flows ! Beating with a hangar across the face, stupid bitch hanging on a hook, geyser flows, blood spilling on the walls, mark of man, evil now displayed, carving your cavity, eager to mutilate!
