Yes sir no sir have a nice day
It shouldn't have to be this way
Yes sir no sir have a nice day
It shouldn't have to be this way

Happy shopper the customer is always right
Happy shopper the customer is always right

With their heads bowed to the nation
To the neon God who made me
They only come here 'cause they, save and save and save

Yes sir no sir have a nice day
It shouldn't have to be this way
Yes sir no sir have a nice day
It shouldn't have to be this way

Happy shopper the customer is always right
Happy shopper the customer is always right

Your call to me shakes and rattles like canned laughter
While the boss is screaming, faster, faster, faster

Yes sir no sir have a nice day
It shouldn't have to be this way
Yes sir no sir have a nice day
It shouldn't have to be this way

Happy shopper the customer is always right
Happy shopper the customer is always right

Electronic illusion
This minion mirage
Walking and talking like
Smiling androids

This is what you want
This is what you get

I wanna get some of that that that
I wanna go right back back back
I wanna get some of that that that
I wanna go right back back back
I wanna get some of that that that
I wanna go right back back back
I wanna get some of that that that

This is what you want
This is what you get

I wanna go right back back back
I wanna get some of that that that
I wanna go right back back back
I wanna get some of that

Happy shopper the customer is always right
Happy shopper the customer is always right

Happy Shopper

Are we not the sons of slaves?
