

Who's That

Living Colour

Who's that
Bill collectors at my door
Who's that
All these bills I can't ignore
Got me so worried
All I do is pace the floor

Who's that
Someone's ringin' on my phone
Who's that
Sayin' I defaulted on my loan
Well I owe so much money
That they won't leave me alone

Who's that
Who's that
Who's that
Who's that
With the lights off, yeah
I just go to bed

With the lights off, well
I just go to bed

Who's that
Who's that
Who's that
Who's that
With the lights off, yeah
I just go to bed
