

## Sellout

## Living Sacrifice

Sellout, sellout, selfish lust  
Gone, no time for games,  
Free will reigns  
I will to surrender,  
I will take my cross,  
My flesh subjected,  
My spirit rise  
Focus, focus,  
Straightway on my God,  
No more needless,  
Cares of temporal  
No more deception,  
Subtile thoughts,  
Focus straightway on eternal  
My spirit cries out to you God,  
To live is Christ, to die gain  
I will not build again,  
Things which I've destroyed  
I will not  
Make myself transgressor  
Hay and stubble  
Will burn away  
Only God, only God remains  
My spirit cries out to you God,  
To live is Christ, to die gain
