## **Living Sacrifice**

I am not who you think I am
I am not who you think I am
I am not who you've made me to be, be, to be

My pedestal is decayed with sin Collapsing all around me With all your expectations With all your preconceptions

The straw man
I am, not called to be
Your idea, of how you see me
I am, not called to be
Your idea, of how you see me

I am not, I am not
In a place to pretend
In a place to pretend
To be a fake version of a man

The straw man
I am, not called to be
Your idea, of how you see me
I am, not called to be
Your idea, of how you see me

I am, not called to be
Your idea, of how you see me
I am, not called to be
Your idea, of how you see me
Not called to be, of how you see, how you see me
