

## Unfit to Live

### Living Sacrifice

Product of some enlightenment Cheapening a life once  
lived  
The feeble and degenerate Deemed unworthy living burdens  
Social engineering Genetic playground of the elite

Rationalize these thoughts and processes  
Sterilize - Conclude who can live and die  
Selective breeding - Racial hygiene  
The extreme survival of social Darwin  
Social engineering Genetic playground of the elite

Who decides who lives and dies?  
What is the cost of life?  
The intellect of a Mini-God

Selective breeding - Racial hygiene  
No compassion in this process  
Only pseudoscientific notions

Who decides who lives and dies?  
What is the cost of life?
