

Fine Again

Liz Phair

You travel back
Unwind and unpack
And it's fine again

I get a ring
You're bringing me things
And it's fine again

Everyone wonders
How we stay in love
And I tell them
That it's hell when it's bad
But it's good
Good
Good when it's good
And boy it is good to be back
To be back
To be back

I give a shake
You don't even break
Cause it's fine again

All the world looks like
It's taking a bath
Cause it's fine again

Everyone wonders
How we stay in love
And I tell them
That it's hell when it's bad
But it's good
Good
So good when it's good
And boy it is good to be back
To be back
To be back
