Running up under the system
Wondering if you can miss him
Covering up with a black scarf
Tell me the difference, you can't huh?
Washing all the brains
Nasty with the fangs
Shooting all the shooters got my looters in this thing like
(We don't give no fucks)
Plus we got the antidote
Blacker than a quarter note
Play niggas like a pentatonic scale
Go to hell, you don't know me but I know you very well

We do mean harm
You please disarm
Don't say a word
