She Didn't Do Magic

Thumbing across Georgia I ran into Gloria She seemed like a mystic to me With a wave of her hand She could make you feel grand That was her mystery Now I'll admit she knew alot of tricks But so do lots of other chicks

She didn't do it like you can do magic She didn't do it to me She didn't do it like you can do it She didn't do magic to me

Hiking through Virginia I met Melinda She looked enchanting to see She said give me your arm And I'll show you my charms That was her sorcery I say it I will she had alot of skill But compared to you she was way down hill

Arriving in Cleveland I'm coming to see you Get you crystal ball out of the drawer Cause I can tell if you been using you spell And baby I know what for The magic you loaned was to bring me home And baby my love for you has grown

So you better do it like you can do magic You better do it to me Cause she didn't do it like you can do it She didn't do magic to me
