

# Everything All at Once

Local Natives

Looking at all the people  
While they're looking at you  
If only they were a mirror and you could do what you want to

No one, no one, no one, no one  
No one, no one, no one, no one  
Has ever made me feel the way you do  
Like you do, like you do, like you do  
Oh, oh, oh, oh  
All at once  
Everything have become overflowing

We wouldn't have to be nervous  
Take a step with a smile  
Cause we can all be go-getters for awhile  
For awhile

No one, no one, no one, no one  
No one, no one, no one, no one  
Has ever made me feel the way you do  
Like you do, like you do, like you do

All at once  
Everything have become overflowing  
All at once  
All I need have become overflowing  
All at once  
Everything have become overflowing  
All at once  
All I need have become overflowing  
All at once  
Everything have become overflowing
