## Local Natives

In the summer, vicious summer  
This is nothing like I thought it would look

You say, "Who am I to blame?"  
"Who am I to blame?"  
Spill yourself at your feet  
Stamp me out flickering

You remind me that you're the ones that stayed

They all look the same to me,  
Look the same to me  
Spill yourself at your feet  
Stamp me out flickering  
There's a sun rising  
Steady now  
Comfort me

This will swallow, swallow me alive

You say, "Who am I to blame?"  
"Who am I to blame?"  
Spill yourself at your feet  
Stamp me out flickering  
There's a sun rising  
Steady now  
Comfort me
