

Cold Shoulder

Locnville

Sketchy Bongo

Tell me what's colder
Tell me what, tell me what
Tell me what's colder
Tell me what, tell me what
Tell me what's colder

Tell me what's colder than the cold shoulder?
What can I say?
Baby I told ya
Over and over and over again
Don't tell me it's over
With your cold shoulder
What can I say?
Baby, what's colder than your cold shoulder?
I'mma get lost today
I'mma get lost, I'mma get lost

Sometimes I get the feeling
I need some sexual healing
I don't mind it's what it seems
We've been up the walls to the ceiling long time
You been running round my mind
Don't know what it means
But I could give two shits about your two cents
All night I'm chancing on the scene

Oh my, you know I'm gonna get it
Know I'm gonna sip it and the bitch gon' feel it
Long time, slow-mo up in it
Talk about a cold oh, hold up a minute
Tell me what's colder ...

Tell me what's colder than the cold shoulder?
What can I say?
Baby I told ya
Over and over and over again
Don't tell me it's over
With your cold shoulder
What can I say?
Baby, what's colder than your cold shoulder?
I'mma get lost today
I'mma get lost today
I'mma get lost today

I'mma get lost, I'mma get lost

Sometimes you gon' tell me to get lost
I might get a missed call
I'mma call back
Then you gon' tell me to calm down

Before we get off this dail
I'ma tell you, "Like who you are to tell me to calm down?"
f*ck it, and you know the whole town gon' hear it now

I should of never ever been involved with you in the first place but,
I guess we don't know nothing
And I guess it's how it goes (tell me what's colder)
But I know we both feel something (feel something)
We got a room full of misting colours
Oh no, no, no
What now, what's the problem?

Tell me what's colder than the cold shoulder?
What can I say?
Baby I told ya
Over and over and over again
Don't tell me it's over
With your cold shoulder
What can I say?
Baby, what's colder than your cold shoulder?
I'mma get lost today

Why'd you go so cold (cold)?
Zero below (low)
Why'd you go so cold (cold)?
Zero and below (low)

Tell me what's colder than the cold shoulder?
What can I say?
Baby I told ya
Over and over and over again
Don't tell me it's over
With your cold shoulder
What can I say?
Baby, what's colder than your cold shoulder?
I'mma get lost today

I'mma get lost today
I'mma get lost today
I'mma get lost today
I'mma get lost today
I'mma get lost today
I'mma get lost today
I'mma get lost today
I'mma get lost today
I'mma get lost today
I'mma get lost today
I'mma get lost today
I'mma get lost today
