

The Bastards Have Landed

Logh

headed into their world.
headlights off.
we're not.
despite the sign.
welcome at all.
don't let them know who we are.
don't let them know where we're from.
sorry sir. we were just trying to get home.
waiter. serve us our drinks then leave us alone.
don't let them know what we've got.
because they don't know what they want.
but right or wrong.
it's their call
