

All Around The World

Loick Essien

I've been all around the world
And still I can't seem to find this girl
I've been up and down, round and round
Tryin' to get up inside every girl, yeah

I just wanna love 'em, love 'em, love 'em
I just wanna love 'em, oh yeah
I just wanna love 'em, love 'em, love 'em
I just wanna love 'em, oh yeah

I'm talkin' every woman in this planet
That can handle it
Every time I see your pretty faces
I can't help but say that
I just wanna love ya, love ya, love ya
I just wanna love ya, oh yeah

I came across the baddest chick
That I ever seen
About five foot six with curvelicious hips
All my fellowz up in here
You know what I mean
Nothing you've ever seen
And she's coming with me

Your body's screamin' yeah
Come make love to my ear yeah
Can't you feel it, right after you
One after another, can't get enough
There's so many women in this world
I just can't pick one alone

Been all around the world
And still I can't seem to find this girl, yeah
I've been up and down, round and round
Tryin' to get up inside every girl, yeah

I just wanna love 'em, love 'em, love 'em
I just wanna love 'em, oh yeah
I just wanna love 'em, love 'em, love 'em
I just wanna love 'em, oh yeah

I'm talkin' every woman in this planet
That can handle it
Every time I see your pretty faces
I can't help but say that
I just wanna love ya, love ya, love ya
I just wanna love ya, oh yeah

All I ever wanted to do is love her
Am sure ain't nobody that can do it better
Cause you ain't gonna want it from no other
Breaking your body down under this cover
That can have your legs in the air
Dripping everywhere
Your body feelin' [?] right after you [?]
One after another, can't get enough

There's so many women in this world
I just can't pick one alone

Been all around the world
And still I can't seem to find this girl, yeah
I've been up and down, round and round
Tryin' to get up inside every girl, yeah

I just wanna love 'em, love 'em, love 'em
I just wanna love 'em, oh yeah
I just wanna love 'em, love 'em, love 'em
I just wanna love 'em, oh yeah

I'm talkin' every woman in this planet
That can handle it
Every time I see your pretty faces
I can't help but say that
I just wanna love ya, love ya, love ya
I just wanna love ya, oh yeah
