Transformer

Loick Essien

[Verse 1:]
Start me up your the pilot
It's time you took me for a spin
You can push me to the limit I'll stay quiet
It's time to see the transformation begin
Wait till u see the technology up inside me
Try me
Programmed to do anything destroy anything
But please don't try and take this message lightly
Cause I've got the power to do anything destroy everything

[Pre-Chorus:]
I'm from a different planet
I'm a mechanical giant
Ammunition is unlimited
Sophisticated, Indestructible
Armor plated
Potentially harmful and dangerous
History a frame eradicated
System often updated
Because I'm the greatest

[Chorus:]
I'm a transformer
That's the only way to describe me
I'm a transformer
Just watch how I transform
I'm a transformer
That's the only way to describe me
I'm a transformer
Just watch how I transform

[Verse 2:]
Strap up baby now it's time for lift off (lift off)
I'm a switch it into auto pilot
Now it may feel a little bumpy when we get off (get off)
Then you can take over just like a pirate
Then I'm a take you into space just like a rocket (stop it)
Take you up then bring you back down
You know I'm on your side just like a pocket (I got it)
There ain't no drama when I'm around

[Pre-Chorus:]
I'm from a different planet
I'm a mechanical giant
Ammunition is unlimited
Sophisticated, Indestructible
Armor plated
Potentially harmful and dangerous
History a frame eradicated
System often updated
Because I'm the greatest

[Chorus:]
I'm a transformer
That's the only way to describe me
I'm a transformer

Just watch how I transform
I'm a transformer
That's the only way to describe me
I'm a transformer
Just watch how I transform

[Bridge:]
I wanna take you there
Where the stars and the moon they bond
I wanna take you there
Where we can experience it all
I wanna take you there
Where there is no one to interrupt
I wanna take you there
Wrapped in a fire full of love

[Pre-Chorus:]
I'm from a different planet
I'm a mechanical giant
Ammunition is unlimited
Sophisticated, Indestructible
Armor plated
Potentially harmful and dangerous
History a frame eradicated
System often updated
Because I'm the greatest

[Chorus:]
I'm a transformer
That's the only way to describe me
I'm a transformer
Just watch how I transform
I'm a transformer
That's the only way to describe me
I'm a transformer
Just watch how I transform
