

# Utopia

Lonewolf

Close your eyes and fly away with me  
I'll show you something you never saw  
Leaving the darkness behind  
Enter a peaceful world of light

Into a world without pain and sorrow  
Where no darkness kills the light  
Where there's no fear of tomorrow  
Utopia - Welcome life

A world where our children's  
Future looks bright  
Where the horizon is not on fire  
This world will  
Never be reality  
But in current days  
Sometimes it's good to dream
