

## Disappearing Existence

Look-Out!

Bloody eyes, dreams are lost.

In to the real life,I am falling.

I hate this time,I wanna be gross.

Right here, right now, I am falling.

I am disappearing existence.

I am like a robot in this world.

You too!!!

You too!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Wake up it's time to go.Every day the same.

Wake up it's not a joke. I wanna stop this game.

Wake up your life is drowned.There's no end of it.

Wake up this is your lot. I can not stop it.

When comes the time, that these bad days cut down.

Everything has fallen to pieces in my mind.

I am disappearing existence.

I feel like a robot in this world.

My way really have no one aim.

Only existence is my name.

When comes the time, that these bad days cut down.

Everything has fallen to pieces in my mind.

I am disappearing existence.

I feel like a robot in this world.

My way really have no one aim.

Only existence is my name.

bridge:

Powerless and soulless.

All around me stinks of mess.

My hopes and my wishes.

Everything ends in preteritness.

Please don't wait for me, please don't cry for me.

You are wonderful creation, but only in my dreams.J

I am disappearing existence.

I feel like a robot in this world.

My way really have no one aim.

Only existence is my name.

Outro:

Every day and every night.

Everything has fallen to pieces n my mind.
