

Stupid Boy

Look-Out!

refren:

I looked round and saw Your flannel.

I looked round and saw Your mace.

Everyday I burn your letters.

Everyday I see your angry face.

I took a think and grasped your manner.

I took a think and grasped my role.

Tomorrow I'll make you better.

Tomorrow I'll rescue my soul.

Every night I'm bad for you.

Every morning cause of you.

Tell me baby, tell me truth, if I'm so stupid boy for you.

1,2,3!!!

I'm not wrong.

LET ME GO!!!

But you're still gone.

Tell me baby, tell me truth, if I'm so stupid boy for you.

I aaaaaammmmm,

just your pinkie for fun, so

let me go.

refren:

I looked round and saw Your flannel.

I looked round and saw Your mace.

Everyday I burn your letters.

Everyday I see your angry face.

I took a think and grasped your manner.

I took a think and grasped my role.

Tomorrow I'll make you better.

Tomorrow I'll rescue my soul.

refren:

I don't wanna hear Your flannel.

I don't wanna feel your mace.

I don't wanna read Your letters.

I don't wanna see your angry face.

I took a think and grasped your manner.

I took a think and grasped my role.

Tomorrow I'll make you better.

Tomorrow I'll rescue my soul.

out refren:-)

Twenty five twenty two

Days I was with you.

Near seven years in feint.

I must go, it's too late.

Eighty two months ago.

I chose bad way, oh no.

Twenty five twenty two

Days I wanna kill you.
