

Sooner or later (Stage Version)

Lord Of The Lost

Sooner or later i'll be a traitor
Sooner or later i will betray
But even a traitor, sooner or later
Is learning that love is finding a way
Sooner or later i'll be a hater
Sooner or later i'm killing again
But all of my failures, sooner or later
Will be the remorse of a dying man
The core is cracking in two Two halves, one for me, one for you
But even with a broken heart I still believe in love
The Thorn is braced in the deep
The anguish is making me creep
But even with an open scar I still believe in love
Sooner or later i will be greater
Than all of the fears
In our cold broken hearts I heal the hater
and sooner or later I'm closing the scars
And i believe in...
