

# Undead Or Alive

Lord Of The Lost

Tell me about your dreams, we can make them all memories  
Tell me about your lies, I will believe then bona fide

I want, I want, I want to beg me,  
I want, I want, I want your devil inside

Tell me about your dreams, we can make them memories  
I'm showing you how sweet and satiating life can be  
if you're undead or alive, I'm fucking you to death

Tell me about addictions,  
Tell me about obsessions,  
I realize your fictions,  
I satisfy suppression
