Lords of the Underground

"Lord Jazz, hit me one time, make it funky" (8x)

Lord Jazz, hit me one time for the people  
cause I bet they're not believing that you come from Cleveland  
Mix the funk, with the skunk, so they'll boom it in the trunk  
And play it loud as hell so they'll feel like they're drunk  
Now umm, back and forth, forth and back  
You see he always help me out when I get wreck to his tracks  
So peace to Mr. Funke, for drinking all the Monkey  
And Lord Jazz, hit me one time, make it funky!

"Excuse Mr. Funke man (yes DoItAll)" (3x)

Lord Jazz the name, so watch me scratch it in your brain  
It's simple, so watch me ride these tracks like a train  
I freak it with the cut, now I freak it with the rhyme  
Just to let you know, I can hit you one time  
With the scratch and I rap cause you know I'm all that  
And those who said I couldn't, I see your hands clap  
Ya heard it, my lips spits quick like Wordsworth  
And I'm quick to do a DJ when he's walkin on my turf

"Lord Jazz.." "He goes by the name of" (7x)

"On two turntables I would say he's nice"

WHAAAAAAAAAAAAAOW! That's right y'all, that's my man!
